

- Revenue Limits have caused more than 80% of all school districts in Wisconsin to go to operating referendums.
- Locally the vast majority of districts have run an operating referendum with most communities approving operating referendum authority for a much greater amount than what the School District of Monroe has and is asking to maintain.

Authorized/Approved Operating Referendum Funds Per Pupil for Local Districts

- The **RED** bar represents the amount Monroe has had per pupil since the 2016 operating referendum (**\$1.5 million/year for 8 years—expires in 2024**)
- The **BLUE** bar represent the amount Monroe will have per pupil if the 2016 operating referendum expires and the operating referendum question on the November 5th, 2024 ballot (**\$1.5 million/year for 4 years**) does not pass
